Burmese Pocket Dictionary Jan 19 2022 Excerpt from Burmese Pocket Dictionary: Compiled From Dr. Judson's Dictionaries; English and Burmese; Burmese and English It is considered that this selection of English words, having passed through four successive editions, may well serve as the basis of the present work. The words removed for various reasons about equal the new words added. The Burmese definitions have been compiled afresh, with special reference to the purpose of this work, and will be found to conform strictly to the last edition of Dr. Judson's Burmese and English Dictionary. The Anglicized spelling has been omitted as of questionable utility. The accuracy of this portion is due largely to the assistance rendered in the proof-reading by Rev. F. H. Eveleth, the compiler of the following portion. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. A Supreme Desire to Please Him May 23 2022 Adoniram Judson was not only a historic figurehead in the first wave of foreign missionaries from the United States and a hero in his own day, but his story still wins the admiration of Christians even today. Though numerous biographies have been written to retell his life story in every ensuing generation, until now no single volume has sought to comprehensively synthesize and analyze the features of his theology and spiritual life. His vision of spirituality and religion certainly contained degrees of classic evangelical piety, yet his spirituality was fundamentally rooted in and ruled by a mixture of asceticism and New Divinity theology. Judson's renowned fortitude emerged out of a peculiar missionary spirituality that was bibliocentric, ascetic, heavenly minded, and Christocentric. The center of Adoniram Judson's spirituality was a heavenly minded, self-denying submission to the sovereign will of God, motivated by an affectionate desire to please Christ through obedience to his final command revealed in the Scriptures. Unveiling the heart of his missionary spirituality, Judson himself asked, "What, then, is the prominent, all-constraining impulse that should urge us to make sacrifices in this cause?" And he answered thus: "A supreme desire to please him is the grand motive that should animate Christians in their missionary efforts."
THE LIFE OF ADONIRAM JUDSON - Light to Burma Apr 10 2021 This book is an important document of the establishment of the Kingdom of God. Adoniram Judson was an American Baptist missionary who served in Burma for almost forty years. At the age of 25 Adoniram Judson became the first Protestant missionary sent from North America. Judson is remembered as the first significant missionary in Burma, as well as one of the very first American missionaries. Compiled by his son Edward Judson from family letters, journals and other first-hand sources, this book is probably the most complete document of Adoniram Judson's life and mission. Inspiring as the thrilling story of one of the giants of early missions, this work is also a high quality academic resource. This book is an essential part of the library of any Missionary, Asian Historian, Missiologist, Christian or Pastor. It is the documented story of one of the first great missionaries of our time.
