Censored 2003 Dec 18 2021 The yearly volumes of Censored, in continuous publication since 1976 and since 1995 available through Seven Stories Press, is dedicated to the stories that ought to be top features on the nightly news, but that are missing because of media bias and self-censorship. The top stories are listed democratically in order of importance according to students, faculty, and a national panel of judges. Each of the top stories is presented at length, alongside updates from the investigative reporters who broke the stories.

iPhone 6 Survival Guide: Step-by-Step User Guide for the iPhone 6, iPhone 6 Plus, and iOS 8: From Getting Started to Advanced Tips and Tricks Jun 24 2022 The iPhone 6 and 6 Plus introduced several new features not seen in the iPhone 5S, such as predictive typing, interactive notifications, time lapse videos, and an entirely new operating system. Nook Simple Touch Survival Guide: Step-by-Step User Guide for the Nook Simple Touch eReader: Getting Started, Downloading FREE eBooks, and Surfing the Web Using the Hidden Web Browser Jun 19 2019 While the Nook Simple Touch is somewhat similar to the original Nook, its infrared touchscreen makes for a completely different reading experience. The Nook Simple Touch Survival Guide provides you with tips and tricks you can use upon unboxing your new eReader. This guide sorts through all of the unnecessary clutter of the official manual and gives you task-based instructions. Instead of learning which buttons perform which functions, you will learn how to use those buttons to navigate your Nook to buy, read, and mark up your eBooks. Instead of presenting an arbitrary table of gestures you can use on the touchscreen, this book shows you where those gestures are needed by integrating them into the tasks you are doing. Additionally, each set of step-by-step instructions is accompanied by a set of detailed screenshots to help you to confirm that you are on the right track. By reading this book, you will unlock hidden secrets, such as downloading FREE eBooks and surfing the web using the hidden web browser on your Nook Simple Touch. The reference material given in this guide is constantly updated, never stagnant. The next time Barnes and Noble releases a software update, simply re-download this eBook to get the latest version. Digital Entertainment Superguide Nov 24 2019 Audio and video content is all around us. And these days much of it comes not from TV cables, satellite dishes, and radio antennas, but from our digital devices around the house, streaming over the Internet and local networks. And that's why we created the Digital Entertainment Superguide, a primer with everything you need to know to get started. This book walks you through how to set up your home network and choose the right hardware—set-top boxes, smart TVs, media center computers, streaming speakers, remote controls, and more—for your needs. Like to watch TV shows and movies but not sure where to find what? We've got you covered with a guide to streaming video sources for your TV or mobile devices. We don't leave music lovers out either, as we help you choose the best streaming audio service. Do you want Mog, Rdio, Rhapsody, Slacker, or Spotify? How much does each service cost? Which sounds best? We answer all those questions and more in the pages that follow. Finally, if you're wondering how to move audio and video around the house—stream music wirelessly from an iPhone to an AirPlay speaker in the living room or send video from a computer to your beautiful wall-mounted HDTV—you've come to the right place. We'll even show you how to use your smartphone or tablet to control it all. So read on, and let the fun begin!
