Poverty and Social Exclusion in the UK. Oct 28 2022 How can we measure poverty in the United Kingdom today, and which measures are most reliable? Is poverty related to other problems and disadvantages? Based on the largest research study on UK poverty ever commissioned, these fascinating volumes answer these questions and more, providing the most authoritative and up-to-date picture ever assembled of poverty throughout the four countries of the United Kingdom. Using state-of-the-art measurement methods, Poverty and Social Exclusion in the UK looks across geography, time, and key domains like health, employment, and housing to make enlightening-and sometimes shocking-comparisons. Volume One focuses on assessing poverty through the lens of a wide range of groups, reporting on the living standards of older and younger people, parents and children, ethnic groups, and disabled people-as well as on the differing impacts of political intervention. --

Schöne Welt, wo bist du May 23 2022 » Schöne Welt, wo bist du hat die karge, intensive Melancholie eines Hopper-Gemäldes. Ihr bester Roman.« Brandon Taylor, The New York Times Alice trifft Felix. Sie ist eine erfolgreiche Schriftstellerin, er arbeitet entfremdet in einer Lagerhalle. Sie begehren einander, doch können sie einander auch trauen? Alice' beste Freundin Eileen hat eine schmerzvolle Trennung hinter sich und fühlt sich aufs Neue zu Simon hingezogen, mit dem sie seit ihrer Kindheit eng verbunden ist. Sie lieben sich, doch ist der Versuch der Liebe den möglichen Verlust ihrer Freundschaft wert? Zwischen Dublin und einem kleinen Ort an der irischen Küste entfaltet Sally Rooney eine Geschichte von vier jungen Menschen, die sich nahe sind, die einander verletzen, die sich austauschen: über Sex, über Ungleichheit und was sie mit Beziehungen macht, über die Welt, in der sie leben. Schöne Welt, wo bist du ist eine universelle Geschichte über den Raum zwischen Alleinsein und Einsamkeit und über die Freiheit, sein Leben mit anderen zu teilen - überwältigend klug, voller Klarheit und Trost.

Britain in Global Politics Volume 1 Jul 21 2019 This volume of essays focuses upon Britain's international and imperial role from the mid-Victorian era through until the immediate aftermath of the Second World War. Individual chapters by acknowledged authorities in their field deal with a variety of broad-ranging and particular issues, including: 'cold wars' before the Cold War in Anglo-Russian relations; Lord Curzon and the diplomacy of war and peace-making; air-power as an instrument of colonial control; Foreign Office efforts to frame and influence the historical narrative; Winston Churchill's alternative to, and the pursuit of, policies of 'appeasement'; British responses to conflict and regime change in Spain; the Secret Intelligence Service and British diplomacy in East Asia'; Neville Chamberlain and the 'phoney war'; efforts to combat American misperceptions of Britain in wartime; and British-American differences over the future of Italy's colonial possessions. This collection, along with the accompanying volume covering the period after World War 2, is dedicated to the memory of Professor Saki Dockrill.
