[Viva la Vagina!](#) May 11 2021 Genial genital - alles über den weiblichen Körper, Sex und Gesundheit Es lebe die Vagina! Sie ist ein ebenso fabelhaftes wie sensibles Organ. Wie viel gibt es zu entdecken, zu staunen - und zu genießen! Denn wie wir uns selbst kennen und spüren, beeinflusst grundlegend unsere Gefühle, Stimmungen und unser generelles Wohlbefinden. Kein Rumgerede über die »Muschi«, keine falsche Scham und auch kein medizinisches Kauderwelsch: Die jungen Ärztinnen Nina Brochmann und Ellen Støkken Dahl erklären in diesem Buch direkt, unverkrampt und mit dem nötigen Fachwissen alles über die entscheidenden Themen: die Klitoris - nur die Spitze des Eisbergs; PMS - das Potentielle Mordsyndrom oder mögliche Sorgen im Intimbereich. Aus ihrer Erfahrung als Sexualberaterinnen und aus ihrem Klinikalltag wurde ihnen eines klar: Höchste Zeit, uns besser mit der Vagina vertraut zu machen. Viva la Vagina!

The Wonder Down Under Jan 07 2021 The Wonder Down Under is a comprehensive guide to a miraculous and complex part of the body that too few of us (regardless of gender) are all that familiar with--the vagina. With wisdom, humor, and scientific aplomb, medical student Ellen Støkken Dahl and Dr. Nina Brochmann take readers on a fascinating journey of female sexual organs and sexual health--from the clitoris to contraception to cervical cancer. More than a user's manual, this book is the funny, frank tribute to the vagina that we have been waiting for. The Wonder Down Under is filled with astonishing, essential, and little-known information--relayed with both medical expertise and genuine empathy. Did you know, for instance, that female and male sex organs are merely variations on the same basic structure? Or that there's no such thing as a virginity test--because examining the hymen cannot meaningfully indicate whether or not someone's had sex? Brochmann and Dahl have written a tour-de-force about the biology, anatomy, and reality of the female body, examining the many ways in which widespread misinformation and silence about the vagina have been harmful to women over time. The Wonder Down Under makes crucial contributions to the discussion: the book was an instant bestseller that sold out in its native Norway in just three days. Since then it has been acquired by publishers in more than two dozen countries around the world. The Wonder Down Under is a joyful and indispensable book that will educate readers of all kinds and equip a new generation to make informed choices about their sexual well-being.

Forthcoming Books Aug 02 2020

Greek Virginity May 31 2020 Explores ancient sexuality, focusing on symbolism as well as on beliefs, and explores the concept of the female body in Greece before the impact of Christianity

The Vagina Book Jun 12 2021 The Vagina Book is an essential guide packed with invaluable information about sexual health that everybody should know, but might be too afraid to ask. With sections on anatomy, periods, hormones, sex, contraception, fertility, hair care, and so much more, this fun-to-read guide helps readers make healthy decisions for their bodies.

Compelling personal essays from a diverse group of luminary figures—including Margaret Cho, Roxane Gay, and Blair Imani—are sprinkled throughout, enriching the pages with beauty, strength, and honesty. • From OB/GYN Dr. Jennifer Conti and the team behind the beloved Thinx period products • Dispenses with taboos and misinformation about vaginas and bodies • Provides the latest health research in easy-to-digest entries Advice includes yoga poses to help with PMS and cramping, a cheat sheet for making sense of contraception options, why you should care about your pelvic floor (plus easy strengthening exercises!), and the illustrated history of feminine hygiene products, from ancient Egypt through today. This groundbreaking guide is a perfect gift for every modern woman and a vital addition to every modern bookshelf. • A must-have handbook for anyone with a vagina • Presented in a luxe, cushioned case filled with more than a hundred vibrant illustrations • Perfect unique gift for anyone who is passionate about sexual health, feminism, and learning more about their body, as well as readers of Refinery29 and GOOP • Add it to the shelf with books like Come as You Are: The Surprising New Science that Will Transform Your Sex Life by Emily Nagoski PhD.; WomanCode: Perfect Your Cycle, Amplify Your Fertility, Supercharge Your Sex Drive, and Become a Power Source by Alisa Vittit; and Pussy: A Reclamation by Regena Thomashauer. The Lover's Manual. Being a Choice Collection [by E. W.] of Poems from the Most Approved Modern Authors. With Several Original Pieces. In Five Books, Etc Nov 17 2021

National Union Catalog Nov 05 2020 Includes entries for maps and atlases.

Performing Virginity and Testing Chastity in the Middle Ages Aug 14 2021 This study presents a compelling and provocative study of virginity, which challenges the belief that female virginity can be reliably and unambiguously defined, tested and verified.

Sex in the Middle Ages Mar 09 2021 Originally published in 1991. Covering courtship, disclosure, diversity, and public implications, the essays here discuss topics such as erotic magic, nakedness, physicians' attitudes about sex, boy-love, saints and sex, and the politics of sodomy, as they were manifested in medieval Europe and the Middle East.

Deconstructions Jul 01 2020 Deconstructions: A User's Guide is a new and unusual kind of book. At once a reference work and a series of inventive essays opening up new directions for deconstruction, it is intended as an authoritative and indispensable guide. With a helpful introduction and specially commissioned essays by leading figures in the field, Deconstructions offers lucid and compelling accounts of deconstruction in relation to a wide range of topics and discourses. Subjects range from the obvious (feminism, technology, postcolonialism) to the less so (drugs, film, weaving). Backed up by an unusually detailed index, this User's Guide demonstrates the innumerable and altering contexts in which deconstructive thinking and practice are at work, both within and beyond the academy, both within and beyond what is called 'the West'.

Hymen's Triumph Apr 10 2021 An edition of Samuel Daniel's masque, Hymen's Triumph, performed in 1614, based on the presentation manuscript now in Edinburgh University Library. A Manual of Obstetrics Sep 03 2020

The Tiger and the Cage Jan 27 2020 For readers of Susannah Cahalan's Brain on Fire and Porochista Khakpour's Sick, this exquisitely wrought debut memoir recounts a lifelong struggle

with chronic pain and endometriosis, while speaking more broadly to anyone who's been told "it's all in your head" In Catholic grade school, Emma Bolden has a strange experience with a teacher that unleashes a short-lived, persistent coughing spell—something the medical establishment will later use against her as she struggles through chronic pain and fainting spells that coincide with her menstrual cycle. With *The Tiger and the Cage*, Bolden uses her own experience as the starting point for a journey through the institutional misogyny of Western medicine—from a history of labeling women "hysterical" and parading them as curiosities to a lack of information on causes or cures for endometriosis, despite more than a century of documented cases. Recounting botched surgeries and dire side effects from pharmaceuticals affecting her and countless others, Bolden speaks to the ways people are often failed by the official narratives of institutions meant to protect them. Bolden also interrogates a narrative commonly imposed on menstruating bodies: the expected story arc of marriage and children. She interrogates her body as a painful site she must mentally escape and a countdown she hopes to beat by having a child before a hysterectomy. Only later does she find language and acceptance for her asexuality and the life she needs to lead. Through all its gripping, devastating, and beautiful threads, *The Tiger and the Cage* says what Bolden and so many like her have needed to hear: I see you, and I believe you.

*National Library of Medicine Current Catalog* Mar 29 2020

*For Health and Beauty* Oct 16 2021 She then examines compulsory education in hygiene and gymnastics, the flourishing genre of women's medical and sexual self-help literature, and the commercialization of health, beauty, and fitness products - all contributing to new scientific and commercial representations of the female body.

*Lawyers Guide to Forensic Medicine* Aug 26 2022 This is an updated edition of a successful handbook already popular with barristers, solicitors and a number of judges as a readily-accessible source of quick reference on a wide range of medico-legal topics. Written by a legally-qualified Professor of Forensic Pathology and former Home Office pathologist, it utilises more than 40 years experience to offer a succinct summary of over 200 medico-legal topics. Though arranged in alphabetical order, this is not just a medical dictionary, as these contain much that is not relevant to legal practice and fail to provide a sufficiently expansive account of medico-legal matters. Instead, it is a carefully-selected compendium dealing with those subjects which are most commonly encountered in case-papers, conferences and the courts. It offers a concise overview of factors of importance in many medico-legal problems, from alcohol to head injury, from traffic deaths to child abuse, so that the medical evidence can be quickly evaluated and any deficiencies detected. It indicates the limits of reliability of various procedures and commonly-held medical opinions and points out those which are frequently over interpreted. Liberally provided with clear line diagrams, including body-maps, it provides a graphic exposition of many anatomical and medical terms, free from professional jargon.

*A Clinician's Guide to Medical and Surgical Abortion* Nov 24 2019 Presenting a comprehensive, clinically oriented text covering all aspects of abortion care related to both medical and surgical abortion. Multiple contributors, well recognized for their expertise in abortion and women's health, contribute to make this a state-of-the-art reference on abortion for students, residents and practitioners involved in women's reproductive health care.

*Manual of Anatomy, Systematic and Practical, Including Embryology* Oct 24 2019

*A Marriage Manual* Jan 19 2022

*Manual of Forensic Emergency Medicine* Dec 18 2021 Manual of Forensic Emergency Medicine is a comprehensive guide to the clinical approach to criminal illness and injury. This resource offers emergency care professionals the knowledge needed to make an accurate diagnosis of abuse, neglect, sexual assault or other conditions in which forensic investigation is needed. This book offers information on victim services and resources available for patients, as well as relevant aspects of the legal system. This essential guide contains color photos, a forensic glossary, and forensic forms that can be used in a clinical practice. Key Topics include Forensic Documentation, Firearms, Evidence Collection in the ED, and Gang Violence.

*The Intimate Self* Sep 22 2019 An invaluable guide for women of all ages This book addresses every health concern that a woman may have about her body. Beginning with an exhaustive description of the female anatomy, it discusses a variety of subjects—common and complex—related not only to a woman's body, but also to her emotional and psychological responses. Dr Shelly Batra, gynaecologist and leading expert on women's health, draws on twenty years of medical experience to demonstrate concrete steps that a woman can take towards identifying and solving her problems in order to lead a healthy and satisfying life. Full of interesting anecdotes, wise advice and shared experience, this book encourages every woman to be fully informed about her body and celebrate her potential. Supplemented with detailed illustrations, *The Intimate Self: A Guide to Women's Sexual Health* includes up-to-date information on: • Puberty, sex and contraception • Infertility • Menopause • Abortion and miscarriage • Effects of smoking and alcohol • Cancer risks

*The National Union Catalog, Pre-1956 Imprints* Jul 13 2021

*Indian Sex Life* Sep 15 2021 "During the colonial period, Indian intellectuals--philologists, lawyers, scientists and literary figures--all sought to hold a mirror to their country. Whether they wrote novels, polemics, or scientific treatises, all sought a better understanding of society in general and their society in particular. Curiously, female sexuality and sexual behavior play an outside role in their writing. The figure of the prostitute is ubiquitous in everything from medical texts and treatises on racial evolution to anti-Muslim polemic and studies of ancient India. In this book, Durba Mitra argues that between the 1840s and the 1940s, the new science of sexuality became foundational to the scientific study of Indian social progress. The colonial state and an emerging set of Bengali male intellectuals extended the regulation of sexuality to far-reaching projects that sought to define what society should look like and how modern citizens should behave. An exploration of this history of social scientific thought offers new perspectives to understand the power of paternalistic and deeply violent claims about sexual norms in the postcolonial world today. These histories reveal the enduring authority of scientific claims to a tradition that equates social good with the control of women's free will and desire. Thus, they managed to dramatically reorganize their society around upper-caste Hindu ideals of strict monogamy"--

*The Dissector's Manual of Practical and Surgical Anatomy* May 23 2022

*Books in Print Supplement* Dec 06 2020

*Men: A User's Guide* Feb 20 2022 "Why don't women tell jokes?" "Because we marry them." Kathy Lette has gathered together the very finest of her sparkling witticisms in this tongue-in-cheek guide to men. Devastatingly funny and more than a little outrageous, Kathy offers up advice ("if he wants breakfast in bed, tell him to sleep in the kitchen"), her inimitable insights into the battle of the sexes ("statistically, 100% of divorces begin with marriage") and some scathing observations of the decidedly less fair sex ("all husbands think they're Gods. If only their wives weren't atheists"). The perfect gift for women who like to shoot straight from the lip.
