Stories to Warm Your Heart and Make You Smile Apr 21 2022 We all have been blessed with having a God given memory and in this volume I have opened up the stored memories of my youth. Some are tales that have been shared with me but most are simple stories about me and my family and are snippets from my life. There is humor and sadness contained in these stories some of which are very short and have a deeper meaning and application. It is my hope those who read will sense how special

life and the memories held dear to our hearts will be a source of comfort and joy. Written simply in a folksy way, it is with great joy I share with all who will read.

My Best for HIM Dec 17 2021 My book title, My Best for Him, provides a statement about my life in Christ. I have not always been the best of Christians and have committed my share of sins and behavior unbecoming to a person of faith. Rather, my early life was a series of "falling away," putting myself ahead of Jesus, but coming back to His grace and mercy. God has always had a way of nudging me back on his path, and I am eternally grateful that he has. I have had many "hims" and "hers" in my life, including my parents, my wife Sherry, teachers, coaches, and mentors. This is a story about always trying to do my best for them, but ultimately doing my best for God.
