The CEO Next Door Jul 01 2020 Winner of CMI Management Book of the Year 2019 New York Times Bestseller Wall Street Journal Bestseller Everything you thought you knew about becoming a CEO is wrong. You must graduate from an elite college or business school. In fact, only 7 percent of the CEOs of today's companies went to a top school--and 8 percent didn't graduate from college at all. Never put a foot wrong. In fact, people who have become CEOs have on average had five to seven career setbacks on their way to the top. Drawing on the biggest dataset of CEOs in the world -- in-depth analysis of 2,600 leaders, drawn from a database of 17,000 CEOs, as well as 13,000 hours of interviews -- The CEO Next Door is crammed full of myth-busting and counter-intuitive insights in what it really takes to get ahead. Discover the way actual CEOs of top companies think and behave, and the kind of traits to develop if you want to make your ambitions a reality and take your career right to the top.

The Couple Next Door May 31 2020 You never know what's happening on the other side of the wall. Your neighbour told you that she didn't want your six-month-old daughter at the dinner party. Nothing personal, she just couldn't stand her crying. Your husband said it would be fine. After all, you only live next door. You'll have the baby monitor and you'll take it in turns to go back every half-hour. Your daughter was sleeping when you checked on her last. But now, as you race up the stairs in your deathly quiet house, your worst fears are realized. She's gone. You've never had to call the police before. But now they're in your home, and who knows what they'll find there... What would you be capable of, when pushed past your limit ?

The Hero Next Door Aug 02 2020 From We Need Diverse Books, the organization behind Flying Lessons & Other Stories, comes another middle-grade short-story collection--this one focused on exploring acts of bravery--featuring some of the best own-voices children's authors, including R. J. Palacio (Wonder), Rita Williams-Garcia (One Crazy Summer), Linda Sue Park (A Long Walk to Water), and many more. Not all heroes wear capes. Some heroes teach martial arts. Others talk to ghosts. A few are inventors or soccer players. They're also sisters, neighbors, and friends. Because heroes come in many shapes and sizes. But they all have one thing in common: they make the world a better place. Published in partnership with We Need Diverse Books, this vibrant anthology features thirteen acclaimed authors whose powerful and diverse voices show how small acts of kindness can save the day. So pay attention, because a hero could be right beside you. Or maybe the hero is you. AUTHORS INCLUDE: William Alexander, Joseph Bruchac, Lamar Giles, Mike Jung, Hena Khan, Juana Medina, Ellen Oh, R. J. Palacio, Linda Sue Park and Anna Dobbin, Cynthia Leitich Smith, Ronald L. Smith, Rita Williams-Garcia, and short-story contest winner Suma Subramaniam "As with the two previous anthologies from We Need Diverse Books, this collection admirably succeeds in making available to all readers a wider and more representative range of American voices and protagonists." —The Washington Post

The Pirates Next Door Mar 29 2020 When a pirate family moves into her quiet seaside town during ship repairs, young Matilda defies the edicts of the gossiping adults in the community to befriend young pirate Jim Lad.

The Royals Next Door Jan 07 2021 One of PopSugar's Top Summer Reads of 2021! An ordinary summer goes royally awry when a prince and princess move next door, bringing their handsome bodyguard with them, from New York Times bestselling author Karina Halle. Piper Evans: elementary school teacher by day--avid romance reader and anonymous podcaster by night. She has a quiet, reclusive life, taking care of her mother, who lives with mental illness, avoiding her regrettable ex, who bartends in town, and trying to make inroads in the tight-knit island community that still sees her, five years in, as an outsider. And she's happy with how things are--really--until British royals rent the property next to hers and their brooding bodyguard decides she's a security threat. Piper quickly realizes that one person's fairy tale is an ordinary woman's nightmare as a media frenzy takes over the island and each run-in with Harrison Cole is hotter and more confusing than the last. But beneath Harrison's no-nonsense exterior lies a soft heart, one that could tempt a woman who's sworn off attachments into believing in white knights. But when Piper finds herself smack in the middle of a royal scandal that rocks the island she'll need more than Harrison's strong arms to shield her--she'll have to do a little rescuing herself. With careers, hearts, and friendships on the line, Piper and Harrison will have to decide what they're willing to give up for a chance at their own happily ever after.

The Girl Next Door Jan 19 2022 In all her novels, multi-million copy and SUNDAY TIMES bestselling author Ruth Rendell digs deep beneath the surface to investigate the secrets of the human psyche and The Girl Next Door is no exception. This compelling and captivating mystery, with its taut plotting and spine-tingling twists and turns is perfect for fans of PD James, Ann Cleeves and Donna Leon. 'This novel reminded me of the singularity of Ruth Rendell's talent, her effortless mastery of language and her uncanny genius for mapping a criminal mind.' -- The Times 'Rendell is as masterful as ever; her writing tense, brittle, and brilliant.' -- Sunday Mirror 'Couldn't put it down' -- ***** Reader review 'Fantastic book' -- ***** Reader review 'Fabulous read' -- ***** Reader review 'Love the way Ruth Rendell weaves the plot - she never disappoints me' -- ***** Reader review 'Brilliant storyline, couldn't put it down' -- ***** Reader review ***** Beneath the green meadows of Loughton, Essex, a dark network of tunnels has been dug. A group of children discover them. They play there. It becomes their place. Seventy years on, the world has changed. Developers have altered the rural landscape. Friends from a half-remembered world have married, died, grown sick, moved - or disappeared. Work on a new house called Warlock uncovers a long buried grisly secret: the bones of two severed hands are discovered in a box, and an investigation into a long-buried crime of passion begins. The friends, who played together as children, begin to question their past. And a weary detective, more concerned with current crimes, must investigate a case of murder.

The Missile Next Door Feb 26 2020 In the 1960s the Air Force buried 1,000 ICBMs in pastures across the Great Plains to keep U.S. nuclear strategy out of view. As rural civilians of all political stripes found themselves living in the Soviet crosshairs, a proud Plains individualism gave way to an economic dependence on the military-industrial complex that still persists today.

The Family Next Door Aug 14 2021 Thirteen siblings were held captive in their own home—and lived to tell their story. On January 14, 2018, a seventeen-year-old girl climbed out of the window of her Perris, California home and dialed 911 on a borrowed cell phone. Struggling to stay calm, she told the operator that she and her twelve siblings—ranging in age from two to twenty-nine—were being abused by their parents. When the dispatcher asked for her address, the girl hesitated. “I’ve never been out,” she stammered. She wasn’t even sure how to spell her own last name. Louise and David Turpin presented themselves as loving, faithful parents. On social media they shared snapshots of family outings and vacations, often with their children in matching outfits. But what police discovered when they entered the Turpin home would eclipse the most shocking child abuse cases in history. For years, Louise and David had kept their children in increasing isolation, trapping them in a sinister world of torture, fear, and near starvation. New York Times bestselling author John Glatt’s *The Family Next Door* is the definitive, devastating, and unforgettable account of the Turpins: a family whose dark secrets would shock and captivate the world. “Thoroughly researched and thoroughly disturbing.” —Booklist “Unflinching...this chilling portrayal of abuse and secrecy may leave readers looking differently at their neighbors.”—Publishers Weekly

The Sociopath Next Door Sep 03 2020 Who is the devil you know? Is it your lying, cheating ex-husband? Your sadistic high school gym teacher? Your boss who loves to humiliate people in meetings? The colleague who stole your idea and passed it off as her own? We are accustomed to thinking of sociopaths as violent criminals, but in *The Sociopath Next Door*, Harvard psychologist Martha Stout reveals that a shocking 4 percent of ordinary people - one in twenty-five - has an often undetected mental disorder, the chief symptom of which is that that person possesses no conscience. He or she has no ability whatsoever to feel shame, guilt, or remorse. One in twenty-five everyday Americans, therefore, is secretly a sociopath. They could be your colleague, your neighbour, even family. And they can do literally anything at all and feel absolutely no guilt.

The People Next Door Apr 29 2020 Lana and Roman Wade have fled the city for a little corner of paradise, exchanging their flat with its unhappy memories for a small honey-coloured house among the rolling green hills of Oxfordshire. Their new home, set in a residential Close known as The Gardens, is their dream and their new neighbours are charming. So why is Lana feeling so uneasy? Lana and Roman may seem like an attractive, popular couple. But they are also a couple with a secret; a secret buried in the life they have left behind, a secret they have shared with no-one. But their new neighbours - these charming, affluent men and women in the Gardens - have secrets of their own. Terrible secrets; unimaginable secrets that include the apparently happy family who lived - and tragically died - in Lana and Roman's new home. As Lana struggles to adjust to her new life in Paradise, she becomes convinced that her new neighbours are hiding something from her, something connected with the deaths of the family who lived in her house before she did, something that could put her own life in danger... The People Next Door is a psychological thriller full of twists and turns, a murder mystery wrapped in a love story, and a love story wrapped in a murder mystery. It is about the secrets we all keep - and what we will do for love.

The Hero and the Girl Next Door Feb 08 2021 The virtuosity and high spirits of Sophie Hannah's poems are unusual at any time of day. She handles rhymed metrical forms with wily insouciance and passes the 'memorability test' with flying colors. What seems simple or simply achieved more often than not on closer inspection yields subtleties of feeling and form. A surrealising impulse unsettles even the most tidy of her stanzas with a shrewd imaginative wantonness. Her experiments with subject-matter produce something more satisfying than 'social verse'. An urban person who prefers shopping, eating and romance to hopping over cowpats on a country walk, she writes with generous rather than reductive wit.

The Millionaire Next Door Oct 28 2022 "Why aren't I as wealthy as I should be?" Many people ask this question of themselves all the time. Often they are hard-working, well educated middle- to high-income people. Why, then, are so few affluent. For nearly two decades the answer has been found in the bestselling *The Millionaire Next Door: The Surprising Secrets of America's Wealthy*, reissued with a new foreword for the twenty-first century by Dr. Thomas J. Stanley. According to the authors, most people have it all wrong about how you become wealthy in America. Wealth in America is more often the result of hard work, diligent savings, and living below your means than it is about inheritance, advance degrees, and even intelligence. The *Millionaire Next Door* identifies seven common traits that show up again and again among those who have accumulated wealth. You will learn, for example, that millionaires bargain shop for used cars, pay a tiny fraction of their wealth in income tax, raise children who are often unaware of their family's wealth until they are adults, and, above all, reject the big-spending lifestyles most of us associate with rich people. In fact, you will learn that the flashy millionaires glamorized in the media represent only a tiny minority of America's rich. Most of the truly wealthy in this country don't live in Beverly Hills or on Park Avenue—they live next door.
